

SMC: Discussions and decisions of the latest General Body

1. Improving further KG section (Infrastructural) profile.
2. Bath rooms: to the requirement of above 1000 students.
3. Desirable & safe transportation.
4. Towards the face-lift of the school- play course planning: Basketball, badminton etc.
5. To make the school compound dust-free & good looking-considering spreading up of inter-locks bricks all around the building.
6. A pathway with roofing to the girls & junior boys' bath room & also for staff especially in rainy season.
7. School-main ground – convert to an of- late football ground.
8. Keeping track & records with the alumni (outgone) batches, their current whereabouts and the prestigious positions they have reached!
9. Beside external student counselling on Career Guidance teachers are to incorporate Career oriented deliberations & Career skills into their daily class-rooms and topics (Secondary & Senior Secondary Level).

Discussions, deliberation and appraisal were also held in the area of CBSE Affiliation Bye laws-2018 & its impact; how our school have been quite successful in imparting no-where seen Life Skill Training-the basic Culinary Skills; Introduction of new course of English- Communication (oral) Skills for classes I-X and taking the innovative Competency Based and Skill-based Learning & Art Integrated Learning (AIL) newly proposed by National Educational Policy, CBSE, etc.
